

RELEVANT EXPERIENCE

No picture available

Mr. Kang received his technical training in Electrical Engineering from Drexel University (B.S.E.E.) and obtained a Juris Doctorate degree from Catholic University of America, Columbus School of Law. Mr. Kang has over 10 years of experience as a patent examiner at the United States Patent and Trademark Office. Prior to joining the Patent Office, Mr. Kang worked as an electrical engineer in the design of RF communication systems for military and commercial use, including Ultra Wide Band (UWB) transmitters and receivers, Collision Avoidance Systems for Unmanned Aerial Vehicles (UAV), radar altimeters and intrusion detection systems.

Mr. Kang has extensive experience in many technological fields, including:

- computer systems and algorithm;
- telecommunication principles;
- LAN & WAN;
- computer hardware and software; and
- device design.
